The Son Llompart vineyards have more than 150 years of history and are linked to the Macia Batle winery family; It has 16 hectares of vineyards, where grapes of the Mantonegro, Cabernet Sauvignon, Merlot, Syrah, Prensal Blanc, Chardonnay and Moscatel varieties are grown.

The vineyards that surround Son Llompart produce Margalida Llompart wines, great wines made with care. To do this, the family is committed to viticulture anchored in tradition, respectful of the land and the environment, with a majority use of organic products, and the know-how of expert winemakers.

Since its inception in 1856 and to this day, they have pursued the excellence of the wines they produce, which have been and are made from selected grapes from traditional Majorcan vineyards pampered by the sun about 300 days a year.

As its founder Macià Batle taught them, all the production processes are supervised by experts to obtain a modern wine with excellent body, aroma and flavour.
